## Feeding

How often (e.g. what time of day) does your dog usually eat?

What kind of food does your dog eat? E.g.

- Dry biscuits (best if you bring this along)
- Cooked food (we provide rice with minced chicken and mixed veg)
- Tinned dog food
- Special food (best if you bring this along)
- Other (please advise)

What quantity of the above?

Is there any food or treats your dog cannot eat?

## Have we missed anything?

What else should we know about your dog? E.g. are there any habits we should know about, or have they recently had a medical condition we should keep an eye out for, etc.

Please note that we play with the dogs 4 to 5 hours a day. If there is any reason we need to restrict this much exercise, please let us know.

Remember, the more you tell us about your dog(s) the better we can look after them.
